

# Kleijer Taxi Ede Schiphol Airport Amsterdam

## Schiphol Transfer Assistance

If you have ordered a taxi-ride for after your arrival at Schiphol Airport, please report to the Schiphol Transfer Assistance (STA) counter. The employees of the STA-counter will bring you (and your possible co-travellers) into contact with the (already waiting) taxi-driver from Kleijer Taxi, who will take care of your further transportation. If our driver cannot be contacted through the STA-counter, then please call (0031)(0)318-611 611 and our dispatcher will be of further service. Please don't start "roaming" across the airport, but stay near the STA-counter.

The STA-counter can be found at Schiphol Plaza near Arrivals 4 and is open 24 hours a day. Please note you cannot book a ride at STA-counter, only pre-booked rides are handled here
